# 8<sup>TH</sup> LIVE SURGERY COURSE

We are excited to announce our 8th Marbella Live Surgery Course on the **24th to 26th of June 2021!**

Again, the event is totally focused on live surgery, designed to give a highly practice orientated teaching experience. It is our objective to provide surgical inspiration, valuable take-home messages and overall a boost to the practices of all our guests.

Day 1 will be dedicated to effective body contouring surgeries for impressive reshaping results for buttocks and breast, accompanied by in-detail video demonstrations of surgical anatomy.

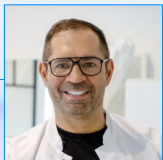

This year's course incorporates a special day dedicated to **MALE MAKEOVER SURGERY**

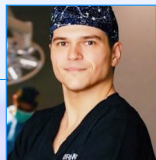

Day 3 focusses on safety and practice management in the social media age 1.
